

Continuing Education Credits Available for Reviewing the AIM Tool Kit!

CNE Credit Information:

Nurses can obtain continuing education credits for reading the *AIM Provider Tool Kit* and reviewing the *AIM website* at www.aimtoolkit.org. Fill out the form below and receive up to four credit hours!

The Michigan Public Health Code and board administrative rules requires every nurse to complete, during the 2-year period prior to the renewal of the license, at least 25 hours of continuing education, with at least one hour in pain and symptom management, in courses or programs approved by the Board. Pursuant to this requirement, the Board of Nursing has promulgated rules to establish specific criteria for the Board's approval of continuing education courses and programs.

Continuing Education Requirements for Michigan Nurses Rule 2(i):

A maximum of **4 continuing education contact hours** may be earned by reading articles, viewing, or listening to media devoted to nursing practice. If audited, the licensee must submit a letter listing complete references for the article read and/or the title and specific focus of the nursing practice media program viewed.*
